Pediatric Advanced Life Support Provider and Recertification Course

The Pediatric Advanced Life Support (PALS) Provider Course is designed for healthcare providers who initiate and direct advanced life support beyond basic life support through the stabilization or transport phases of a pediatric emergency, either in or out of hospital. This course will enhance participants' skills in the evaluation and management of an infant or child with respiratory compromise, circulatory compromise, or cardiac arrest.

PALS Provider and Recertification Courses are offered at various times throughout the year at Synergy Medical Education Alliance. Please call for schedule updates and availability.

Location:

Synergy Medical Education Alliance—Main Campus
1000 Houghton Ave.
Saginaw, MI 48602
Simulation Center—Room 162 (Lower Level)
