RE: System-Wide Update

---

As you know, it has been some time since the Saginaw Valley Medical Control Authority (SVMCA) has had the opportunity to provide an update and/or clarification of System policies, procedures and practice parameters for our providers. We are pleased to announce that we will be having an update in the upcoming months.

The System-Wide update is mandatory for all personnel (MFR's, EMT-B, EMT-S, EMT-P) working within Saginaw/Tuscola Counties. Therefore, several meeting dates and locations will be offered for your convenience. Please keep in mind that these sessions are a good opportunity for you to clarify any questions regarding your practice of EMS.
